Welcome to our Pharmacy. We are a full service independent pharmacy that accepts all major insurance plans and we deliver daily to Cushing Academy. We can make your job easier by filling your children's prescriptions while they are in school, so that you don't have to mail them each time. The information on the RX label(s) that your child brings to school is all we need to transfer prescriptions, and they are easily transferred back when your child returns home (Schedule II drugs excluded). Simply instruct the Health Center to have us transfer and we do the rest. For new prescriptions, have the child's doctor call or send the written prescription. For more information, please call. Thank you. *Joseph Serio RPh Edith Gauvin CPhT*

Provisions for Charge Accounts - Partnering with Cushing Academy

Westminster Pharmacy allows some patrons and businesses to utilize a month-by-month payment schedule by offering a charge account system. This system is strictly designed, offered, and maintained as a convenience in the case that your child needs any prescription or pharmacy services while attending Cushing Academy.
